He can be seen scurrying from building to building throughout the day with a smile on his face. FUHSD is lucky to have Delvis on our team.

Mr. Brian Kantner

Brian Kantner is an Ag teacher at FUHS. He has been perseverant in keeping Ag students participating in FFA competitions despite COVID. He is the advisor for the FFA Officer team and has assisted officers in meeting in person yet conducting virtual meetings. He provides positive encouragement to students on a daily basis.

Emily Toone

Director of Curriculum, Instruction and ELL Programs- FUHSD

We are a very small school district and at times the amount of work is very overwhelming for everyone but Emily always finds a way to find solutions and implement protocols that help our site administrators and staff. Emily is quick to respond to requests and is very thorough in ensuring all loose ends are dealt with when problems arise. Emily is a role model for many at FUHSD that look up to her professionally, because she is a hard worker, fair and a very strong leader.

Emily always demonstrates a high level of commitment to our students and parents. It is a pleasure to work with a person that is a creative thinker and a team player. Her positive attitude and high morale are qualities that help contribute to the pursuit of excellence in our school district.

Carl Maier

Student Board Representative Alternate for SDCOE

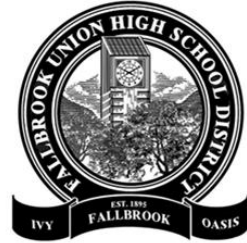

Carl Maier is a junior at FUHS and he was recently named the Student Board Representative Alternate for San Diego County's Board of Education.

This is the first time that the San Diego County Board of Education has student board representatives, similar to our student board representatives, and the position was created as part of an effort to elevate student voice and listen as our students share ideas, viewpoints, and provide feedback on their educational program.

Forty-eight students from across the county submitted applications to represent one of the five districts within the county. Carl has been appointed as the alternate for District 5.
